I was under a forbearance with my mortgage company from March 2020 through December 2020. They then offered me a further six month extension which was accepted from January 2021 through June 2021. I had a stroke and was out of work for several months but as of January 7, 2021, I received my return to work letter from my doctor. Therefore, beginning the second week of January, I qualified for unemployment and just got paid for three weeks. Therefore, I am going to resume mortgage payments this month and will return to work as soon as there is a project available. All payments to the mortgage company will be paid through the loan modification once approved. The mortgage company was waiting for the return to work letter in order to finish processing the application. I ask that the motion be denied based upon the facts stated herein.

3. This certification is being made in an effort to resolve the issues raised in the certification of default or motion.
4. I certify under penalty of perjury that the above is true.
